Sing-A-Long

with Megan Jerome

Let It Snow

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow

When we finally kiss good night
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear, we're still good-byeing
But as long as you love me so
Let it snow, let it snow, let it snow

Rockin' Around The Christmas Tree

Rockin' around the Christmas tree
At the Christmas party hop
Mistletoe hung where you can see
Every couple tries to stop

Rockin' around the Christmas tree
Let the Christmas spirit ring
Later we'll have some pumpkin pie
And we'll do some caroling

You will get a sentimental
Feeling when you hear
Voices singing "let's be jolly
Deck the halls with boughs of holly"

Rockin' around the Christmas tree
Have a happy holiday
Everyone dancing merrily
In the new old-fashioned way

O Christmas Tree

O Christmas tree, O Christmas tree
Thy leaves are so unchanging
O Christmas tree, O Christmas tree
Thy leaves are so unchanging
Not only green when summer's here
But also when tis cold and drear
O Christmas tree, O Christmas tree
Thy leaves are so unchanging

O Christmas tree, O Christmas tree
You fill all hearts with gaiety
O Christmas tree, O Christmas tree
You fill all hearts with gaiety
On Christmas day you stand so tall
Affording joy to one and all
O Christmas tree, O Christmas tree
You fill all hearts with gaiety

Mon beau sapin, roi des forêts
Que j'aime ta verdure
Mon beau sapin, roi des forêts
Que j'aime ta verdure
Quand, par l'hiver, bois et guérets
Sont dépouillés de leurs attraits
Mon beau sapin, roi des forêts
Tu gardes ta parure

Angels We Have Heard on High

Angels we have heard on high
Sweetly singing o'er the plains
And the mountains in reply
Echoing their joyous strains

Gloria in excelsis Deo
Gloria in excelsis Deo

Shepherds, why this jubilee
Why your joyous strains prolong
What the gladsome tidings be
Which inspire your heavenly song

Come to Bethlehem and see
Him whose birth the angels sing
Come adore on bended knee
Christ the Lord, the newborn King

The First Noël

The First Noël, the angel did say
 Was to certain poor shepherds in fields as they
 lay
 In fields where they lay keeping their sheep
 On a cold winter's night that was so deep
 Noël, Noël, Noël, Noël
 Born is the King of Israel!
 They looked up and saw a star
 Shining in the East beyond them far
 And to the earth it gave great light
 And so it continued both day and night
 This star drew nigh to the northwest
 O'er Bethlehem it took it's rest
 And there it did both stop and stay
 Right over the place where Jesus lay

Blue Christmas

I'll have a blue Christmas without you
 I'll be so blue thinking about you
 Decorations of red on a green Christmas tree
 Won't mean a thing if you're not here with me

I'll have a blue Christmas that's certain
 And when that blue heartache starts hurtin'
 You'll be doin' alright with your Christmas of
 white
 But I'll have a blue, blue Christmas

Christmas (Baby Please Come Home)

(Christmas) The snow's coming down
 (Christmas) I'm watching it fall
 (Christmas) Lots of people around
 (Christmas) Baby please come home

(Christmas) The church bells in town
 (Christmas) Are ringing in song
 (Christmas) What a happy sound
 (Christmas) Baby please come home

They're singing Deck the Halls
 But it's not like Christmas at all
 'Cause I remember when you were here
 And all the fun we had last year

(Christmas) Pretty lights on the tree
 (Christmas) I'm watching them shine
 (Christmas) You should be here with me
 (Christmas) Baby please come home

(Christmas) If there was a way
 (Christmas) I'd hold back these tears
 (Christmas) But it's Christmas day
 (Christmas) Baby please come home

Winter Wonderland

Sleigh bells ring, are you listenin'
 In the lane, snow is glist'nin'
 A beautiful sight, we're happy tonight
 Walkin' in a winter wonderland

Gone away is the bluebird
 Here to stay is a new bird
 He sings a love song, as we go along
 Walkin' in a winter wonderland

In the meadow we can build a snowman
 And pretend that he is Parson Brown
 He'll say, "Are you married"
 We'll say, "No, man!"
 But you can do the job when you're in town!"

Later on, we'll conspire
 As we dream by the fire
 To face unafraid, the plans that we made,
 Walkin' in a winter wonderland

Deck The Halls

Deck the halls with boughs of holly

Fa la la la la la la la la

Tis the season to be jolly

Fa la la la la la la la la

Don we now our gay apparel

Fa la la la la la la la la

Troll the ancient yuletide carol

Fa la la la la la la la la

See the blazing yule before us...
 Strike the harp and join the chorus...
 Follow me in merry measure...
 While I tell of yuletide treasure

Fast away the old year passes...
 Hail the new, ye lads and lasses...
 Sing we joyous all together...
 Heedless of the wind and weather...
